RE: Request for Site Plan (Addition) Waiver for 421 2nd Avenue, Foley, AL 36535

Dear Kathryn Taylor:

We own the church at 421 2nd Avenue, Foley, AL. The zoning code requires site plan approval for construction. We are requesting a waiver of site plan/addition because we are a nonprofit (church) and will complete the proposed project ourselves. We would like to begin construction soon and hope the Planning Board can consider this request at its earliest possible date. Thank you for your consideration of this request.

Proposed site addition/construction dimensions

28 feet North to South; 40 feet East to West

Yours in Christ,

Pastor Alicia Odom
