Re: Request to hang a banner for Festival of Flavor

Dear Mayor and Council members:

The South Baldwin Chamber of Commerce would like to request permission to hang a 15' X 3' banner, in order to promote the Festival of Flavor, on the awning poles of our office at 112 West Laurel Street.

This is the same banner that was allowed to be displayed last year, with the change of the date of the event. I do understand that things change and therefore recognize the need for permission to be granted again this year.

We want to place the banner during the week following the Labor Day holiday and it will remain up until the week of the Festival of Flavor which is October 8th.

Thank you for this consideration and we look forward to another successful Festival!

Respectfully yours,
