

California Municipalities and several other state municipalities have heeded the call to display the beautiful words of our National Motto "IN GOD WE TRUST" - and since these known liberal states have adorned their council chambers and city halls we want to CHALLENGE EVERY CITY IN ALABAMA to add our national motto "IN GOD WE TRUST" to their council chamber and a prominent place in the lobby.

In 1956 President Eisenhower approved a Joint Resolution of the 84th Congress declaring IN GOD WE TRUST the national motto of the United States.

In 2006, on the 50th anniversary of its adoption, the Senate reaffirmed "In God we trust" as the official national motto of the United States of America.[16] In 2011 the House of Representatives passed an additional resolution reaffirming "In God we trust" as the official motto of the United States, in a 396-9 vote.
