Dear Mrs. Taylor,

The Foley Housing Authority continues to work toward reaching our goal of removing our current housing stock so that we can rebuild new, attractive and affordable housing. One of the next steps is for us to have our property re-zoned.

Given that we are on such a tight budget and only have a limited amount of funds, we are requesting that the City considers waiving the application fee. This project will not only be a great improvement compared to the existing buildings/apartments currently offered by our agency, but also will serve the community well in providing some needed affordable housing which will be up to date and ascetically pleasing for the community.

Please let me know if you need any additional information.

Sincerely,

Cindy Hamrick
Executive Director
