ABOUT US

MATRIX is a world leading manufacturer of innovative key management systems. We provide our clients an end-to-end solution to secure, manage and keep track of their keys, giving them the peace of mind to focus on their core business.

Our patented systems provide a perfect combination of advanced key monitoring capabilities and maximum security as each key is secured in a sealed box.

Whether you are a car dealership, property manager, university, law enforcement or any other organization wishing to regain control over your keys – we offer the best and most advanced solution for your needs!
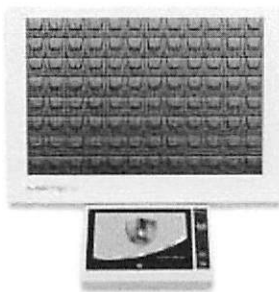

PRODUCT RANGE

The MATRIX product line offers a wide range of solutions to match your needs.
From a capacity of dozens to thousands of keys – we have it all

FRAME

From 32 to 198 keys

COMPACT

From 96 to 396 keys

ULTRA

From 99 to 2,376 keys

1 LARGEST CAPACITY

MATRIX
KEY CONTROL SYSTEM

TAKE CONTROL

Stop the endless searches to track a key, no more wasting money on changing locks - **regain control with MATRIX!**

- ✓ Secure each key in a separate compartment
- ✓ Decide who can take each key
- ✓ Limit the number of keys that a user can have at the same time
- ✓ Deny user access when driver's license expires
- ✓ Require users to report check out reason
- ✓ Determine due date of each key
- ✓ Send alerts when a key isn't returned on time
- ✓ Require users to report parking location and vehicle condition
- ✓ Document every transaction by video camera
- ✓ Control from a remote location
- ✓ Receive daily reports to your email
- ✓ Centralized network for multiple systems

THE **BIG** DIFFERENCE

MATRIX provides the highest level of protection for your keys and assets. Unlike other systems, where anyone who opens the door or drawer can steal or duplicate any key, **MATRIX protects each key in a separate locked compartment with** no ability to access other keys

WE GIVE YOU MORE!

Gain more value from your key system by adding drawers to secure and manage license plates, expensive tools, parts, laptops and so much more...

MATRIX
KEY CONTROL SYSTEM

"The Matrix Key System has been fantastic, the level of support has been beyond compare"

Rob Girouard, Mercedes-Benz Silver Star Montréal

JOIN THOUSANDS OF SATISFIED CUSTOMERS

Quinn Binkley
Harmony Honda

I remember that my first reaction was WOW!!! I know other key track systems but MATRIX is something else

Nick Iasenik
Northeast Kia

The machine is great, we really love it – our key loss range went down dramatically

Jamie Silva
Acme House Company Palm Springs

Our office used to spend hours every week tracking down keys – MATRIX increased our office organizational productivity and provided top-level security for the properties we manage

MATRIX
KEY CONTROL SYSTEM

Rob Kieswetter
Kieswetter Mazda

We have used other key management systems but the Matrix system we have is one of the best in the industry. It allows us to manage our keys in a very effective manner. This is a mandatory item for all dealers

Will LaGrange
Mac Haik Flowood CDJR

I have used many types of inventory control systems in the past, but Matrix USA is by far the best. The ease of use, the advanced technology, and customer support that Matrix USA provides is the gold-standard of keys control!

Jonathan Eltes
Mercedes-Benz Brampton

We choose MATRIX since other than control it provides the highest level of security to our keys and assets. The MATRIX is truly the best key management system I've seen

WARRANTY AND SERVICE

MATRIX provides a one year warranty from delivery - the warranty includes:

- Unlimited phone support and troubleshooting during the working hours:

    Monday to Friday, 8am to 8pm EST

- Ongoing software upgrades
- Replacement of any malfunctioning parts

This Limited Warranty does not include:
Damage to product resulting from accident or disaster, misuse or abuse, modification or alteration, any attempted unauthorized repairs; or costs to MATRIX to service or repair the product on site at the customer.

RETURN POLICY

MATRIX's top concern is customer satisfaction. If for any reason you are not satisfied, you may return your system under the following terms and conditions:
Returns within 30 days of delivery – the client will receive refund of the purchase price minus shipping expenses, installation and 25% restocking fee.

All systems and items must be returned in like new condition, in its original package including all parts and accessories.
All returns must receive the company's approval prior to shipping.
Refund will be applied after the returned system has been tested and accepted.
