A.I.P. No. 3-01-0031-011-2013

Contract No. 036012.07

Construct Fuel Farm
at Foley Municipal Airport
Foley, Alabama

Dear Mr. Bouzan:

Enclosed is one (1) copy of the Tabulation of Bids received June 6, 2013 for the referenced project. The following is a summary of the total bid amounts submitted.

CONTRACTOR	TOTAL BID
Blade Construction	\$212,978.25
Moody Electric, Inc.	\$215,660.98
R & S Paving & Grading, Inc.	\$225,781.10
John G. Walton Construction	\$251,722.86

After reviewing the proposals, and discussions with your office we feel the lowest responsive proposal was submitted by Blade Construction; however, at this time Blade Construction does not hold the proper license classifications. The license determination was confirmed with Andrew Earl, Investigator with the Alabama Licensing Board for General Contractors. In accordance with Boards opinion, we recommend Blade Construction be given forty five (45) calendar days to amend their license.

If Blade Construction secures the proper license we recommend the award be made to Blade Construction in the amount of \$212,978.25. If Blade Construction cannot secure the proper license in the allotted time, we recommend Moody Electric, Inc. be awarded the contract in the amount of \$215,660.98.

Please call at your convenience should you have any questions regarding these items.

Sincerely,

Bobby Odom, P.E.
Assistant Vice President
