The City of Foley
Mayor and Council Members
P.O. Box 1750
Foley, AL 36536

Honorable Mayor Koniar and Council Members:

The South Baldwin Chamber would like to express our support and appreciation for the effort you are making toward building and maintaining high quality, environmentally friendly parks, recreational spaces, sporting venues, etc. all for the citizens and visitors to enjoy. We are proud to be a part of a city that values the quality of life offered by each of these assets.

The City of Foley has an outstanding track record of concern for the environment, controlled growth and the overall welfare and safety of its citizens in an ever expanding city. No improvement, benefit or amenity comes without a price and we support the City's efforts to bring in quality, well organized and planned events such as; soccer, archery, running and biking events, the Tough Mudder, lacrosse, baseball, cheerleading camps, etc.

The results of these activities will increase business opportunities for the local businesses that employ our neighbors and friends and benefit the overall income level of our citizens. The events also generate sales tax revenue for the City which enables continued services of a great police and fire department, as well as the opportunity for more parks and improved sporting facilities.

We encourage you to continue your efforts and keep in mind that the resources you provide belong to the entire community and are enjoyed by all your citizens, not just a few.

Respectfully yours,
