To whom it may concern:

This is an official request to have the following proposals considered at the next Foley City Council meeting.

Foley High School wishes to once again parade through the streets of Foley for their annual Homecoming festivities on Thursday, September 26<sup>th</sup>, at 5:00 PM. The parade route will follow the same route used last year finishing at the Heritage Park Gazebo.

Following the parade, Foley High School wishes to continue with the tradition started seven years ago with the "9<sup>th</sup> Annual Leo in the Park," the community pep rally in the city park located at the train depot. Our wishes are to again use the gazebo for the evening's activities, which will include an introduction by our principal, Mr. Russ Moore, of our head coach, Todd Watson; cheers led by the Foley High School cheerleaders; music provided by the Band from Lion Land; introduction of this year's Homecoming Court; and words from some of our Varsity Football players. We are also interested in allowing some of our campus clubs to paint faces and provide snacks and drinks. Our intention is for these festivities to last no more than one hour. Our hope is that, as members of the Foley Family, this community activity will bring all inhabitants – schools, businesses, and families – together. I must also state that the Interclub Council, the organization responsible for planning our Homecoming activities, will be unable to spend any money on these activities. Our hope is that the City of Foley would be willing to once more provide these city facilities at no cost.

If you would like me to be present at the City Council meeting in which this proposal is considered in order to address any issues of concern that may come up, please feel free to contact me. Also, please contact me once this proposal is scheduled. If you require any further information at this time, you may reach me at Foley High School or at 952-8902.

Again, thank you for your consideration.

Sincerely,

DD Andersen  
Interclub Council Sponsor
