

In honor of a 50+ year Foley resident, Verna Hill, her son Ricky Hill, 30 year small business owner in Foley (A Grand Affair/HWY 65), and daughter Sherry Hill McLain, along with combined 5 grandchildren, 9 great-grandchildren and 1 great-great grandchild, would like to host an Alzheimer's research and awareness fundraising walk at Heritage Park/ Centennial Plaza in Foley Alabama on November 28th. This walk will be sponsored by Golden Knight General Konstruktion LLC, owned by Sergeant First Class Adrian Hill, a Foley High School student and athlete in the early 90s. Adrian is an active duty United States Army Sergeant First Class, with almost 25 years of service, Iraq war veteran; a Bronze Star recipient and a current member of the United States Army Parachute team, the Golden Knights; the worlds most decorated parachute team.

We hope to make this an annual event, being that there are chapters in Mobile and Biloxi, we are hoping to gain prominence in Foley/South Baldwin County to secure our own chapter for the National Alzheimer's Association the near future.

The Mayor, City Council members and any Foley/South Baldwin County Officials are invited to join us. This horrible disease effects countless lives in our small town. It is devastating not only to its victims, but also their family and caregivers. Let's do our part as proud Americans in south Alabama to find a cure for Alzheimer's in our lifetime!

This is a charity/fundraising event and we are asking that usage fees be waived. ALL proceeds go DIRECTLY to the Alzheimer's Association 501(c)(3). While we are still raising funds for ALZ.org, this is not a sanctioned event for the association. Our annual in person walk was cancelled due to the virus. We just decided to do our own walk here in town. All attendees are welcome to practice any precautions they feel are personally necessary in accordance with State guidelines in place on the date of the walk.

Thank you in advance for your time and consideration in this matter.
