Dear Mrs. Boutwell,

As pastor of Saint Margaret of Scotland Catholic Church, I am requesting of the mayor of the city of Foley and the Foley city Council to waive the permit fees for a parish center that we will be building soon. The parish center will be located at 601 W. Laurel Ave. in Foley. The approximate size will be 14,000 ft.². We hope to receive the bids for construction on February 28 with construction to follow thereafter.

I am very grateful that you would consider putting this before the mayor and the council and grateful to them for considering our request.

May God bless you and all the work for our city in every way.

Most sincerely,

Father Paul G. Zoghby, Pastor

St. Margaret of Scotland Catholic Church
