Sue,
can you give a proj number on this so Donna can place on agenda
Thanks
Randy

Subject: Fwd: Art center siding repairs

Wayne,

This is a project that we do not have in the capital plan or maintenance budget but I believe we need to address. The siding on the Petite building is badly rotten and allowing moisture into the building. We have one spot where a couple hardwood floor planks have bowed due to the moisture. But we will need your approval to add to the agenda.

Mike
