Mayor and City Council
City of Foley, Alabama

Re: Construction Fees

Dear Honorable Mayor Koniar and Council:

We, the members of Liberty Church, continue to grow in our present occupied space and are in need of renovating unused areas of the building and expanding other areas in the future. These renovated areas will help us to better serve the needs of the community.

The proposed construction will be completed in various phases to include:

1. Renovation of Southwest corner (3) theaters and South corridor.
2. Renovation of Southeast corner (2) theaters.
3. Renovation of Lobby area/existing nursery.
4. Renovation of current children area.
5. Expansion of the sanctuary.

As with most churches, this is a large undertaking and is budget draining. We would ask that the City of Foley waive or minimize any fees that are associated with these projects such as building permits, land disturbance permits, zoning fees, engineering fees and environmental fees. This would greatly assist in our efforts.

Thank you for your consideration.

If I may be of further assistance regarding this subject, please contact me at 251-228-1452.

Sincerely,
