To Whom IT May Concern:

The Foley Police Department has joined hands with area community churches to sponsor a Gospel music fundraiser festival to benefit the Lighthouse and C.A.R.E. House of Baldwin County. This festival has been named the Gulf Coast Gospel Jubilee and will take place on Saturday October 4<sup>th</sup> at the Foley Soccer Complex from 9 AM to 5 PM. We are requesting that the City of Foley support this cause.

We will be reaching out to all the denominational churches in the immediate area to participate in this worthy cause by providing music, food and support. We will also have arts and crafts vendors and entertainment for the children. This event promises to bring all the people in the area together for a day of inspiring Gospel music and good fellowship. Participating musicians, singers and vendors will be from our local area.

All proceeds from this festival will go directly to the Lighthouse and CARE House so that they may continue with the noble work that they provide.
