RE: International Construction Ent./ICE Restoration
Business License ID# 14940
8195 Hwy 59; Foley, AL 36535

Dear Ms. Wilkerson:

The City of Foley intends to conduct a hearing to consider revoking the Business License it previously issued to you for the above-referenced business. The reason for the possible revocation is because of the recent indictments and arrests of owners/employees of the business for "insurance fraud and first-degree financial elder abuse" in Mobile County, Alabama. The indictments and arrests are in direct connection with the licensed business. Business licenses are issued for the privilege of being able to operate a business and also serves as protection for our citizens.

Pursuant to City of Foley Code Section 5-21, the violation of any municipal ordinance or a criminal law of the State of Alabama by the business is grounds for revocation of the business license. The City Council will conduct a public hearing at the **Council Meeting on March 1, 2021** which commences at **4:00 PM at City Hall (Civic Center)** to hear evidence offered by you, your agent, or any other party to determine if the business license should be revoked. This letter is your notice of that hearing. If you wish to forfeit the business license in advance of the hearing, please contact me prior to **March 1, 2021**.

Thank you for your cooperation in this matter.

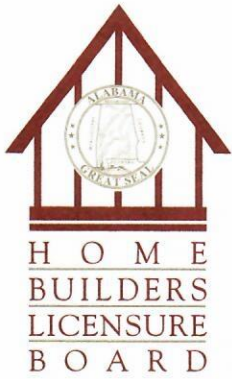

Very truly yours,

Jamie L Smith
Revenue Officer
City of Foley
