Jeff,

The updated ATC will be \$58506.70 for the power infrastructure and \$27,000.00 for the lighting installations with a lighting rate of \$468.00/ month (18 lights @ \$26/month). See attached power path and light layout as a reference.

Keep in mind you will need to apply for the two separate services for the facility and the 18 single arm Galleon Lights.

Let me know if you have any questions or concerns.

Thanks,

**Jon Harrison** | *Electric Engineering Dept*

*Riviera Utilities*

*P.O. Box 2050*
