Dear Mayor,

Our Bon Secour Chapter National Society Daughters of the American Revolution requests that a proclamation be issued in your municipality celebrating Constitution Day on September 17.

We want everyone to celebrate the week of September 17-23 which is Constitution Week. I have included a sample proclamation which can be used to produce a proclamation from your office.

If this proclamation can be issued, please notify our chapter at the e-mail address or phone number listed below my name. I am the current regent of Bon Secour Chapter. I will gladly pick up the proclamation and present it to our chapter at our October meeting.

Thanks for your help with our celebration.

Sincerely,

Beverly Wenzel
