Re: Waiver of Fee for Non Profit

To: County Commissioners of the City of Foley

Big Fish Ministries would like to hold an event in the Heritage Park for Overdose Awareness Day on August 31, 2023. This event is to raise awareness about overdosing and help bring healing to family members who have experienced this tragedy. We are asking if the Commission would consider waiving the usage fee and additional hour fee for this event. We would be willing to pay the damage deposit.

Thank you for your Consideration,

Isaac Stooksberry
