Thank you Beth. I will check on the 75\$ for the State.

Jeff

Jeff,

See attached the Signed Bid Tabulation. After reviewing the bids and additional information requested from the two lowest bidders, we recommend awarding the contract to Crucible Construction - \$10,624,898.00.

Also, was the additional fee to the State (\$75) for the 2nd resubmittal of the final drawings paid (see David's email from 3/29 for reference)?

Thanks!
