13-1006

An Ordinance Declaring Certain Real Property No Longer Needed For Municipal Purposes and Authorizing the Sale of the Same

President Trawick reported that he spoke with Council members Vera Quaites and Ralph Hellmich, who could not attend, about calling the Special meeting. The reason for the meeting was due to an oversight from Monday's meeting in which the first reading of an ordinance declaring property surplus should have been adopted by suspending the rules. This was important as this action was holding up the purchase of the property to a manufacturer that wanted to break ground as soon as possible. All Council members were informed of this and were good with proceeding with the meeting and the action taken to complete the sale of the property.

A motion was made by Council Member Charles Ebert, seconded by Council Member Rick Blackwell, that the second reading of this Ordinance be adopted. The motion carried by an unanimous vote.
