Is this purchase listed on the capital projects plan in the approved budget? yes

What amount is approved in the plan for this project? \$1M planned for FY24, estimating \$875K to be available, and estimating \$500k for this project

In what year is this project shown to begin in the plan? 24

Description of the project and why the project needs to be completed at this time.

Installing new sidewalk from the basketball courts on North Cedar to West Fern. This will allow the children and adults walking to and from the park a safer option than using the ditch and edge of the road.

Can your job be performed without the completion of this project? Please explain below.

Sidewalk connectivity is a top priority for the city to allow the residents to easier access to business and other locations

Will not completing this project cause a public safety issue? Please explain below.

Potentially. More sidewalks mean less pedestrians on the highway

Do you expect to come in, at, or under budget on this project? Please explain below.

under, we plan to have multiple new sidewalks for the amount planned

Is there a grant associated with this project? no

If so please list below the grant amount and the match required by the City.
