A Resolution Authorizing A Cost of Living Adjustment (COLA) Effective January 2022

Attachments: [Cost of Living Adjustment Cost Comparison](#)

Human Resources Director Suzanne Kellams reported to Council that the HR Department conducted an analysis for the Cost of Living Adjustment [COLA]. The HR Department also noticed that some employees have topped out in their merit raises. Mrs. Kellams recommends 3.0% for all permanent full time and permanent part time employees. Council Member Ebert, III, feels confident in the 3.5% and that the city's revenue has been extremely strong. Mr. Ebert, III, also reported that this is a way to be competitive and to show how much the city values employees. Mayor Hellmich reported that the Coast of Living Adjustment will contribute to your retirement but giving a bonus will not. City

Administrator Mike Thompson stated that giving out a bonus does not keep the city in a competitive market like COLA. Council Member Dayton reported that he does not want the city to be in danger of losing valued employees and he also agrees with Council Member Ebert, Mayor Hellmich, and City Administrator Mike Thompson.

There was a consensus to move this item to the Resolution portion of the agenda for a vote.

Mayor's Comments

Mayor Ralph Hellmich thanked Council for the approval of the cost of living adjustment. It shows how much the Council appreciates all of the hard work from the city employees.

He reported that the Veteran's Day Parade was successful and there was an excellent turn out. He also reported some of the light poles didn't have brackets to hold the flags and that the City will be expanding the flag program to honor the Veterans.

Council Member Charles Ebert, III, recommended that the flags be extended on Highway 98 past City Hall.

Mayor Hellmich reported that the City is working with a contractor for the drainage projects and moving forward on the bigger projects. He also reported all of the Christmas decorations are going up around the City. The Christmas Village has expanded and local businesses have participated in it. He also reported the Christmas Parade is December 4th.

Mayor Hellmich wanted to inform the citizens of Foley about the survey to modernize the parks in the City and this will be a positive way to get good feedback.

Visitor Comments

Bill Roberts, Thomas Lang, and Shawn Gavin, who are residents of River Trace Subdivision addressed Council with their drainage issue concerns. The residents of River Trace have had issues with water overflowing onto the properties. Mr. Roberts reported one problem is that Bon Secour Creek was not completely cleared out and the water can not flow properly. Also, the retaining pond for the subdivision that is East of South Hickory is not sloped correctly. Mr. Lang reported that if those issues were corrected, it would be helpful with part of the problem. City Engineer Chad Christian reported to Council that he would do a follow up visit and assess the situation. Mayor Hellmich reported that River Trace Subdivision was built on the old flood map while the property was still in the County.

Robertsdale resident Dennis Kriegh addressed the Council with his concerns of the tennis courts needing to be modernize. Mr. Kriegh presented to Council pictures of neighboring cities' tennis courts. Mayor Hellmich stated that we do need to modernize the tennis courts and that would be concerted in the future.

Police Chief Bullock and Fire Chief Joey Darby thanked City Council for the cost of living adjustment on the behalf of the Police and Fire Departments. Chief Darby also reported with the growth of the city, this is how we can be competitive.

Adjournment

A motion was made by Council Member Rick Blackwell, seconded by Council Member Richard Dayton to adjourn the meeting. The motion carried by an unanimous vote.

The meeting was adjourned at 5:24 p.m.
