ARTICLE 2 RELATIONSHIP OF THE PARTIES

CONSULTANT is providing professional engineering services pursuant to this Agreement. Nothing in this Agreement shall be construed to mean that CONSULTANT assumes any responsibility or duties of any Contractor(s) or can be held liable for such Contractor's (or its employees, agents, officers, suppliers, or others as may be under Contractor's control and direction) failure to perform their obligations and duties to OWNER.

The Contractor(s) will be solely responsible for means, methods, techniques, sequences, and procedures used in the construction of the Project and for the safety of its personnel, property, and its operations, and for performing in accordance with its contract(s) with OWNER, as well as for any damages for construction defects caused, in whole or in part, by the Contractor's Work. CONSULTANT shall be able to rely upon the Contractor for the proper performance of its obligations to OWNER. CONSULTANT neither guarantees the performance of the Contractor nor assumes responsibility for the Contractor's failure to furnish and perform the Contractor's Work in accordance with the Construction Contract Documents.

Where CONSULTANT does not have a contractual relationship with the Contractor regarding the Project, OWNER acknowledges and takes into account the fact that CONSULTANT does not have a contract with Contractor(s) and, as such, cannot direct its respective means and methods, its forces, its personnel, its subcontractors, suppliers, and/or subconsultants. CONSULTANT cannot require those parties with which it has no contract to refrain from or perform any acts. Requiring action or conduct out of Contractor is the responsibility of the OWNER.

ARTICLE 3 SCOPE OF SERVICES

3.1 Generally. CONSULTANT shall perform the Basic and Special Services as set forth in this Article 3, in Exhibit A, and/or in any Work Authorizations that may be issued, as well as any Additional Services duly authorized in accordance with the terms and conditions herein. Such items, taken together, shall be referred to herein as the "Scope of Services".

CONSULTANT's Scope of Services as set out hereunder is finite, and CONSULTANT is not being compensated by OWNER to provide or perform services which are not specifically set out herein. Anything not expressly stated in this provision, or in Exhibit A, or in any subsequent Work Authorizations agreed upon between OWNER and CONSULTANT, is expressly not a part of CONSULTANT's Scope of Services.

3.1.1 Safety. Consistent with and pursuant to Section 3.2.6, CONSULTANT shall not be responsible for site safety, or for the safety of Contractor or its employees or subcontractors. CONSULTANT is not being retained to, and shall not be expected or required to, research or review the safety record or history of OSHA violations of any potential bidding contractor, and shall not be expected, required, or retained to undertake vetting, pre-screening, researching, or approving any potential bidding contractor based on its safety record.

3.1.2 Permits. CONSULTANT shall, as part of its performance of the Basic Services, assist OWNER in meeting OWNER's duty to obtain those permits and approvals which are typical of and necessary to the performance of CONSULTANT's Services on this contract. Any assistance beyond that inherent in the Basic Services shall be considered as Additional Services, as defined herein. The Parties acknowledge that many factors which impact permitting and approval are outside the realm of control of CONSULTANT and its agents, and CONSULTANT bears no responsibility for the OWNER's obligation to obtain such permitting and approval items as may be necessary for the completion of the Project.

3.2 Standards of Performance.

3.2.1 Standard of Care. CONSULTANT shall at all times endeavor to perform its Services in conformance with the generally accepted care and skill exercised by professionals of the same type practicing under similar circumstances at the same time and in the same locality. CONSULTANT makes no warranties, express or implied, under this Agreement or otherwise, in connection with CONSULTANT's Services, and guarantees no particular result. CONSULTANT neither guarantees the performance of any Contractor(s), nor assumes the responsibility of the Contractor(s) to furnish or perform its obligations to OWNER, whether arising from the Construction Contracts, the Contract Documents, or otherwise.

3.2.2 SUBCONSULTANTS. CONSULTANT may retain such subconsultants as CONSULTANT deems necessary to assist in the performance or furnishing of the Services, subject to timely approval by OWNER, which shall not be unreasonably withheld.

3.2.3 Reliance on Others. Subject to the Standard of Care set forth in Paragraph 3.2.1, CONSULTANT and its subconsultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, OWNER, Contractor, specialty contractors, manufacturers, suppliers, and the publishers of technical standards.

3.2.4 The CONSULTANT shall not be required to sign any documents, no matter by whom requested, that would result in the CONSULTANT having to certify, guarantee, or warrant the existence of conditions whose existence CONSULTANT cannot reasonably ascertain. OWNER, therefore, agrees not to make any resolution of any dispute with CONSULTANT or payment of any amount due to CONSULTANT in any way contingent upon CONSULTANT signing any such documents.

3.2.5 The Parties acknowledge that, where the Scope of Services may include such, any opinions issued by CONSULTANT regarding probable construction cost are made on the basis of CONSULTANT's experience and qualifications and represent CONSULTANT's judgement as a professional generally familiar with the industry. However, Parties further acknowledge that because CONSULTANT has no control over the costs of labor, materials, equipment, or services furnished by others, or over any Contractor's methods of determining prices, or over competitive bidding or market conditions, CONSULTANT cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from any opinion of probable construction cost that may be prepared by CONSULTANT.

3.2.6 CONSULTANT and Contractor.

3.2.6.1 CONSULTANT shall not at any time supervise, direct, control, or have authority over any Contractor Work, nor shall CONSULTANT have authority over or be responsible for the means,

methods, techniques, sequences, or procedures of construction selected or used by the Contractor, or the safety precautions and programs incident thereto, for security or safety at any Project site, nor for any failure of the Contractor to comply with Applicable Law and Contract Documents as it pertains to the Contractor's furnishing and performing of the Contractor's Work.

3.2.6.2 Parties agree that where, in the course of performance of its Services hereunder, CONSULTANT may have the authority to reject any Contractor Work which, in the professional opinion of the CONSULTANT does not generally conform to any Construction Contract Documents, that authority shall in no way be construed as a duty to reject such work. Neither such authority, nor the decision to exercise or not exercise such authority, nor any action or inaction of CONSULTANT, shall give rise to a duty or responsibility of CONSULTANT for site safety or construction means, methods, or techniques; or create any express or implied duty or responsibility to any Contractor, subcontractor, other consultants or subconsultants, materials and/or equipment suppliers, or the employees of any of them.

3.2.6.3 CONSULTANT shall not be responsible for the acts or omissions of the Contractor, or of any subcontractor, supplier, or any of their agents or employees, or of any other persons (except CONSULTANT's own agents, employees, and subconsultant(s) at the Project site or where otherwise furnishing or performing any Services; or for any decision made regarding the Contract Documents, or any application, interpretation, or clarification, of the Contract Documents, other than those made by CONSULTANT, pursuant to its Scope of Services as defined herein.

3.2.6.4 While at the Project site, CONSULTANT's employees and representatives shall comply with the specific applicable requirements of Contractor's and OWNER's safety programs of which CONSULTANT has been informed in writing.

3.3 Additional Services

Where such changed conditions may require the renegotiation of the Scope of Services or termination of Services, Owner shall rely on CONSULTANT's judgement as to the continued adequacy of this Agreement in light of the discovery of conditions that were not anticipated or known. If renegotiation is necessary, CONSULTANT and OWNER shall in good faith enter into renegotiation of this Agreement to permit CONSULTANT to continue to meet OWNER's needs. ARTICLE 7 TERMINATION AND SUSPENSION

7.1 Suspension.

7.1.1 By OWNER. OWNER may suspend the Project for up to 90 days upon seven days written notice to CONSULTANT.

7.1.2 By CONSULTANT. CONSULTANT may, after giving seven days written notice to OWNER, suspend services under this Agreement if CONSULTANT's performance has been substantially delayed through no fault of CONSULTANT, or due to OWNER's failure to pay CONSULTANT as set forth in Section 4.3.2 above.

7.2 Termination. The obligation to provide further Services under this Agreement may be terminated:

7.2.1 For cause,

(a) By either Party upon 30 days written notice in the event of substantial failure by the other Party to perform in accordance with the terms hereof through no fault of the terminating Party.

(b) By CONSULTANT:

(1) upon seven days written notice if OWNER demands that CONSULTANT furnish or perform services contrary to CONSULTANT's responsibilities as a licensed professional; or

(2) upon seven days written notice if the CONSULTANT's Services for the Project are delayed or suspended for more than 90 days for reasons beyond CONSULTANT's control.

(c) In the event of termination for cause, CONSULTANT shall have no liability to OWNER on account of such termination.

(d) Notwithstanding the foregoing, this Agreement will not terminate under Paragraph 7.2.1(a) if the Party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more

than 30 days of receipt thereof; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such Party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after the date of receipt of the notice.

7.2.2 For convenience,

(a) By OWNER effective upon CONSULTANT's receipt of notice from OWNER.

7.3 Effective Date of Termination. The terminating Party under Paragraph 7.2 may set the effective date of termination at a time up to 30 days later than otherwise provided to allow CONSULTANT to demobilize personnel and equipment from the Project site, to complete tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble Project materials in orderly files.

7.4. Payments Upon Termination

7.4.1 In the event of any termination under Paragraph 7.2, CONSULTANT will be entitled to invoice OWNER and to receive full payment for all Services performed or furnished in accordance with this Agreement and all reimbursable Expenses incurred through the effective date of termination. Upon making such payment, OWNER shall have the limited right to the use of Documents, at OWNER's sole risk, subject to the provisions of Paragraph 8.2 ("Ownership and Reuse of Documents").

7.4.2 In the event of termination by OWNER for convenience, or by CONSULTANT for cause, CONSULTANT shall be entitled, in addition to invoicing for those items identified in Paragraph 7.4.1, to invoice OWNER for and obtain payment of a reasonable amount for Services and Expenses directly attributable to termination, both before and after the effective date of termination, such as reassignment of personnel, costs of terminating contracts with CONSULTANT's subconsultants, and other related close-out costs, using methods and rates for Additional Services as set forth herein.

ARTICLE 8 MISCELLANEOUS PROVISIONS

8.1 Contract Period: All contracts, agreements, provisions, and stipulations of this Agreement shall remain in full force for a period of five (5) years from the date of the Agreement, and for such periods as the contract time may be extended by mutual written agreement between the OWNER and the CONSULTANT.

8.2 Ownership and Reuse of Documents. All Project documents, including but not necessarily limited to reports, Drawings, studies, findings, correspondence, specifications, survey notes, estimates, maps, computations, calculations, computer files, computer assisted design and drafting (CADD) files (electronic and hard copy), and other data, as well as any and all other documents and other materials prepared, generated, or furnished by or for CONSULTANT and/or its subconsultant(s) for the Project pursuant to this Agreement (hereinafter referred to in this Paragraph 8.2 as "Documents") are instruments of service with respect to the Project, and CONSULTANT shall retain an ownership and intellectual property interest therein regardless of whether the Project is completed. OWNER may make and retain copies thereof for information and reference in connection with the use and/or occupancy of the Project by OWNER and others. However, such Documents are not intended for reuse or future use by

OWNER or others for any purpose whatsoever or on any other project. No representation is made that such Documents are or will be suitable for reuse or future use by OWNER or others for any purpose whatsoever or on any other project. Any use of such Documents by OWNER or others on any project other than the Project which is the subject of this Agreement is not advised and shall be done without warranty, representation, or liability to any extent whatsoever on the part of CONSULTANT. OWNER shall defend, indemnify, save, and hold harmless CONSULTANT, its officers, directors, employees, agents, successors, and assigns against any and all liability for any and all claims, demands, fines, fees, damages, actions, causes of action, lawsuits, expenses (including attorneys' fees), mediations, and arbitrations arising out of, resulting from, or relating in any way to the OWNER's or others' use of such Documents. It shall be deemed acceptable for CONSULTANT to deliver to OWNER the original record version of such Documents in a digital format, signed and sealed according to applicable Laws and Regulations. Provided, however, that where another acceptable format for the original record version is required under Applicable Laws and Regulations, SUBCONSULTANT shall provide the original record version in such approved format.

8.3 Electronic Transmittals.

8.3.1 OWNER and CONSULTANT may transmit, and shall accept, Project-related correspondence, documents, text, data, drawings, information, and graphics, in electronic media or digital format, either directly or through access to a secure project website, in accordance with a mutually agreeable protocol.

8.3.2 If this Agreement does not establish protocols for electronic or digital transmittals, then OWNER and CONSULTANT shall jointly develop such protocols.

8.3.3 When transmitting items in electronic media or digital format, the transmitting Party makes no representations as to long term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the items, or from those established in applicable transmittal protocols.

8.4 Municipal Advisor Disclosure and Disclaimer

CONSULTANT is not acting or being retained to act as a "municipal advisor," as that term is defined by Section 15B(e)(4)(A)(i) and (ii) of the Securities and Exchange Act of 1934, as amended, and does not owe a fiduciary duty to OWNER or an "obligated person," as that term is defined by Section 15B(e)(10) of the Securities and Exchange Act of 1934, as amended. CONSULTANT shall not provide advice or recommendations to or on behalf of OWNER or an obligated person regarding municipal financial products or the issuance of municipal securities. CONSULTANT is not recommending an action to OWNER or an obligated person; CONSULTANT is not acting as an advisor to OWNER or an obligated person and does not owe a fiduciary duty pursuant to Section 15B of the Securities and Exchange Act to OWNER or an obligated person with respect to the information and material communicated pursuant to this Agreement or the Project; CONSULTANT is acting for its own interests; and OWNER and any obligated persons should discuss any information and material contained in any communications with any and all internal or external advisors and experts that OWNER or obligated person deems appropriate before acting on any information or material. CONSULTANT will not be providing advice or recommendations that are particularized to the specific needs, objectives, or circumstances of OWNER or an obligated person with respect to municipal financial products or the issuance of municipal securities, including with respect to the structure, timing, terms, and other similar matters concerning such financial products or

issues. CONSULTANT will not be asked or expected to provide anything other than general information that does not involve a recommendation regarding municipal financial products or the issuance of municipal securities; nor will CONSULTANT be asked or expected to provide anything other than information of a factual nature without subjective assumptions, opinions, or views, and information that is not particularized to OWNER.

8.5 Force Majeure/Delays and Extensions of Time.

8.5.1 CONSULTANT and OWNER agree that no Party shall be liable or responsible to the other Party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligation to make previously owned payments to the other Party due hereunder) to the extent that an act beyond the impacted Party's reasonable control, including without limitation, acts of God, flood, fire, earthquake, explosion, war, invasion, hostilities, terrorist threats, riots, civil unrest, government order or law or action or inaction of governmental authority, embargo or blockade, strikes, labor stoppages, industrial disturbances, encountering hazardous materials and/or concealed/unknown conditions, shipping delays, national or regional emergency, pandemic, epidemic, or other widespread medical or natural disasters or similar events, ("Force Majeure Events") may impact, interfere with, delay, or frustrate a Party's ability to so perform under the Agreement.

8.5.2 If CONSULTANT is delayed, impacted, or frustrated from commencing or progressing the Services at any time by a Force Majeure Event or any cause deemed to be beyond the reasonable control of CONSULTANT, the schedule will be automatically extended and compensation will be equitably adjusted to the extent reasonably necessary to compensate CONSULTANT for any increases in the cost of the Services caused by such delay.

8.6 Exclusivity of Remedies. To the fullest extent permitted by law, the total liability, in the aggregate, of CONSULTANT and CONSULTANT's officers, directors, employees, agents and subconsultants, and of any of them, to OWNER and anyone claiming by, through, or under OWNER, for any and all injuries, claims, losses, expenses or damages whatsoever arising out of or in any way related to CONSULTANT's Services, the Project, or this Agreement from any cause or causes whatsoever, including but not limited to the negligence, errors, omissions, strict liability, or breach of contract by CONSULTANT or CONSULTANT's officers, directors, employees, agents, or subconsultants, or any of them, shall be limited to and shall not exceed the total compensation received by CONSULTANT under this Agreement, but in no event shall exceed the amount of available insurance proceeds.

8.7 Successors and Assigns

8.7.1 OWNER and CONSULTANT are each hereby bound and the partners, successors, executors, administrators, and legal representatives of OWNER and CONSULTANT (and to the extent permitted by Paragraph 8.7.2, the assigns of OWNER and CONSULTANT) are hereby bound to the other Party to this Agreement and to the partners, successors, executors, administrators, and legal representatives (and said assigns) of such other Party, in respect of all covenants, agreements, and obligations of this Agreement.

8.7.2 Neither OWNER nor CONSULTANT shall assign, sublet, or transfer any rights under or interest in (including, but without limitation, monies that may become due or monies that are due) this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated by law or the effect of this limitation may be restricted by law. Unless specifically

stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent CONSULTANT from employing such independent professional associates and consultants as CONSULTANT may deem appropriate to assist in performance of Services hereunder.

8.7.3 Nothing under this section or the within the other terms of this Agreement shall be construed to give any right or benefits in this Agreement to anyone other than OWNER and CONSULTANT, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of OWNER and CONSULTANT and not for the benefit of any other Party. OWNER agrees that that the substance of the provisions of this Paragraph 8.7.3 shall appear in any Construction Contract Documents.

8.8 Dispute Resolution. If a dispute arises out of or relates to this Agreement or its alleged breach, the OWNER and CONSULTANT shall direct their representatives to endeavor to settle the dispute first through direct discussions. If the dispute cannot be resolved through direct discussions, the OWNER and CONSULTANT shall participate in mediation before recourse to litigation. The OWNER's and CONSULTANT's representatives shall attend all mediation sessions. Engaging in mediation is a condition precedent to litigation. Only after the Parties have exhausted direct discussions AND mediation in accordance with the foregoing shall either of them be entitled to initiate litigation. Should either Party initiate litigation prior to engaging in direct discussions and good faith mediation, it shall pay all attorneys' fees and expenses and other costs incurred by the other Party in responding to said litigation. Any provisions herein to the contrary notwithstanding, OWNER and CONSULTANT hereby agree that any disputes between them will be tried to the bench and not to a jury, and each of them willfully and voluntarily waives its right to trial by jury for any dispute arising out of this Agreement.

8.9 Disclaimer of Third-Party Benefits. OWNER and CONSULTANT expressly disclaim third-party beneficiaries hereunder and no one not a Party to the Agreement shall be entitled to seek enforcement against OWNER and/or CONSULTANT of any provision herein, or to otherwise seek damages from either Party for the alleged breach of any provision contained herein or purported duty or standard created or conferred hereunder. It is specifically agreed between the Parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a Party to the Agreement to maintain a claim, cause of action, lien, or any other damages or any relief of any kind pursuant to the terms and provisions of this Agreement.

8.10 Waiver of Consequential Damages. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither OWNER nor CONSULTANT, their respective officers, directors, agents, partners, employees, contractors, or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect, or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation, or any other consequential damages that either Party may have incurred from any cause of action including negligence, strict liability, breach of contract, and breach of strict or implied warranty. Both OWNER and CONSULTANT shall require similar waivers of consequential damages protecting all the entities and persons named herein in all contracts and subcontracts with others involved in the Project.

8.11 Governing Law/ Jurisdiction/Venue. It is expressly agreed and stipulated between the Parties that this Agreement shall be deemed to have been executed in the state that is the situs of the Services to be performed herein. This Agreement shall be governed by the laws of that State, and any disputes related

to or arising out of this Agreement or its alleged breach, shall be brought in the State of Alabama and County of Mobile, exclusive of that state's choice of law provisions. In any such litigation, both Parties hereby waive their rights to jury trial and mutually agree that any disputes between them arising out of this Agreement that are subject to litigation shall be tried to the bench only.

8.12 Accrual of Claims. To the fullest extent permitted by Laws and Regulations, all causes of action arising under this Agreement shall be deemed to have accrued, and all statutory periods of limitation shall commence, no later than the date of substantial completion of the Services.

8.13 Severability. Any provision or part hereof which is held to be void or unenforceable under Applicable Laws shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONSULTANT, which hereby agree that, in such instance, the Agreement shall be reformed to replace such stricken provision or part hereof with a valid and enforceable provision that comes as close as possible to expressing the intent of the stricken provision.

8.14 Total Agreement. This Agreement (together with the exhibits referenced herein) constitutes the entire agreement between OWNER and CONSULTANT and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a written instrument duly executed by both Parties.

8.15 Confidentiality. CONSULTANT shall maintain the confidentiality of all information specifically designated as confidential by OWNER, unless withholding such information would violate the law, create a risk of significant harm to the public, or prevent CONSULTANT from establishing a claim or defense in an adjudicatory proceeding. Parties, however, acknowledge that CONSULTANT shall have the right to include photographic or artistic representations of the Project and descriptions of both the Project and CONSULTANT's Services to OWNER on the Project in the preparation of CONSULTANT's marketing materials, such as proposals, presentations, etc. Parties agree that such usage by CONSULTANT shall not include OWNER's confidential information, where the OWNER has previously notified CONSULTANT in writing of the confidential nature of such information. It is understood and agreed that CONSULTANT may retain electronic copies of confidential information created by automatic computer generated backup systems in the ordinary course of business, but such copies shall be deleted in the ordinary course of Subconsultant's file maintenance, shall not be accessed by CONSULTANT, and shall nevertheless remain subject to this Agreement.

8.16 Construction. The Parties acknowledge that this Agreement is the result of careful negotiation and that both Parties have had the opportunity to carefully review the terms of the Agreement. CONSULTANT and OWNER therefore agree that this Agreement will be considered to have been drafted jointly by the Parties to it and shall not be construed or interpreted against any particular Party, regardless from which Party the base document may have originated or who may have originally drafted any particular portion of the Agreement. Any principal of construction or rule of law that provides for any latent ambiguities within an Agreement to be construed against the drafter are, therefore, agreed by both Parties to be inapplicable to the terms of this Agreement.

8.17 Designated Representative. With the execution of this Agreement, CONSULTANT and OWNER shall designate specific individuals to act as CONSULTANT's and OWNER's representatives with respect to the services to be performed or furnished by CONSULTANT and responsibilities of OWNER under this Agreement. Such an individual shall have authority to transmit instructions, receive information, and render decisions relative to this Agreement on behalf of the respective Party whom the individual represents.

The CONSULTANT agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the CONSULTANT which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The CONSULTANT agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

9.2 Breach of Contract Terms. Any violation or breach of terms of this contract on the part of the CONSULTANT or its Subconsultants may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

OWNER will provide CONSULTANT written notice that describes the nature of the breach and corrective actions the CONSULTANT must undertake in order to avoid termination of the contract. Owner reserves the right to withhold payments to CONSULTANT until such time the CONSULTANT corrects the breach or the Owner elects to terminate the contract. 2. **Nondiscrimination:** The CONSULTANT, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation), age, or disability in the selection and retention of subconsultants, including procurements of materials and leases of equipment. The CONSULTANT will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.

3. **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subconsultant or supplier will be notified by the CONSULTANT of the CONSULTANT's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.

4. **Information and Reports:** The CONSULTANT will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the CONSULTANT will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance:** In the event of a CONSULTANT's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:

- a. Withholding payments to the CONSULTANT under the contract until the CONSULTANT complies; and/or
- b. Cancelling, terminating, or suspending a contract, in whole or in part.

6. **Incorporation of Provisions:** The CONSULTANT will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The CONSULTANT will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the CONSULTANT becomes involved in, or is threatened with litigation by a subconsultant, or supplier because of such direction, the CONSULTANT may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the CONSULTANT may request the United States to enter into the litigation to protect the interests of the United States.

9.5 Clean Air and Water Pollution Control. CONSULTANT agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 USC §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 USC §§ 1251-1387). The CONSULTANT agrees to report any violation to the Owner immediately upon discovery. The Owner assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration. CONSULTANT must include this requirement in all subcontracts that exceed \$150,000.

9.6 Contract Workhours and Safety Standards Act Requirements

1. Overtime Requirements.

No consultant or subconsultant contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; Liability for Unpaid Wages; Liquidated Damages.

In the event of any violation of the clause set forth in paragraph (1) of this clause, the CONSULTANT and any subconsultant responsible therefore shall be liable for the unpaid wages. In addition, such CONSULTANT and subconsultant shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this clause, in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this clause.

3. Withholding for Unpaid Wages and Liquidated Damages.

The Federal Aviation Administration (FAA) or the Owner shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONSULTANT or subconsultant under any such contract or any other Federal contract with the same prime CONSULTANT, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime CONSULTANT, such sums as may be determined to be necessary to satisfy any liabilities of such CONSULTANT or subconsultant for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this clause.

4. Subconsultants.

The CONSULTANT or subconsultant shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) and also a clause requiring the subconsultant to include these clauses in any lower tier subcontracts. The prime CONSULTANT shall be responsible for compliance by any subconsultant or lower tier subconsultant with the clauses set forth in paragraphs (1) through (4) of this clause.

9.7 Certification of Consultant Regarding Debarment. The CONSULTANT certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

9.7.1 Certification of Lower Tier Consultants Regarding Debarment. The CONSULTANT, by administering each lower tier subcontract that exceeds \$25,000 as a “covered transaction”, must confirm each lower tier participant of a “covered transaction” under the project is not presently debarred or otherwise disqualified from participation in this federally-assisted project. The CONSULTANT will accomplish this by:

1. Checking the System for Award Management at website: <http://www.sam.gov>.

2. Collecting a certification statement similar to the Certification of CONSULTANT Regarding Debarment, above.

3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

9.8 Disadvantaged Business Enterprise

9.8.1 Contract Assurance. The CONSULTANT or subconsultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The CONSULTANT shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the CONSULTANT to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

1. Withholding monthly progress payments;
2. Assessing sanctions;
3. Liquidated damages; and/or
4. Disqualifying the CONSULTANT from future bidding as non-responsible.

9.8.2 Prompt Payment. The CONSULTANT agrees to pay each subconsultant under this prime contract for satisfactory performance of its contract no later than 30 days from receipt of each payment the CONSULTANT receives from the Owner. The CONSULTANT agrees further to return retainage payments to each subconsultant within 30 days after the subconsultant's work is satisfactorily completed. Any delay or postponement of payment from the above-referenced time frame may occur only for good cause following written approval of the Owner. This clause applies to both DBE and non-DBE subconsultants.

9.8.3 Termination of DBE Subcontracts. The CONSULTANT must not terminate a DBE subconsultant (or an approved substitute DBE firm) without prior written consent of the Owner. This includes, but is not limited to, instances in which the CONSULTANT seeks to perform work originally designated for a DBE subconsultant with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.

The CONSULTANT shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the CONSULTANT obtains written consent of the Owner. Unless the Owner's consent is provided, the CONSULTANT shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

The Owner may provide such written consent only if the Owner agrees, for reasons stated in the concurrence document, that the CONSULTANT has good cause to terminate the DBE firm. For purposes of this paragraph, good cause includes the circumstances listed in 49 CFR §26.53.

Before transmitting to the Owner its request to terminate and/or substitute a DBE subconsultant, the CONSULTANT must give notice in writing to the DBE subconsultant, with a copy to the Owner, of its intent to request to terminate and/or substitute, and the reason for the request.

The CONSULTANT must give the DBE five (5) days to respond to the CONSULTANT's notice and advise Owner and the CONSULTANT of the reasons, if any, why it objects to the proposed termination of its subcontract and why the Owner should not approve the CONSULTANT's action. If required in a particular case as a matter of public necessity (e.g., safety), the Owner may provide a response period shorter than five (5) days.

In addition to post-award terminations, the provisions of this section apply to pre-award deletions of or substitutions for DBE firms put forward by offerors in negotiated procurements.

9.9 Distracted Driving – Texting When Driving. In accordance with Executive Order 13513, “Federal Leadership on Reducing Text Messaging While Driving”, (10/1/2009) and DOT Order 3902.10, “Text Messaging While Driving”, (12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the CONSULTANT to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The CONSULTANT must include the substance of this clause in all sub-tier contracts exceeding \$10,000 that involve driving a motor vehicle in performance of work activities associated with the project.

9.10 Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. CONSULTANT and Subconsultants agree to comply with mandatory standards and policies relating to use and procurement of certain telecommunications and video surveillance services or equipment in compliance with the National Defense Authorization Act [Public Law 115-232 § 889(f)(1)].

9.11 Equal Opportunity Clause. During the performance of this contract, the CONSULTANT agrees as follows:

1. The CONSULTANT will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONSULTANT will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identify, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONSULTANT agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The CONSULTANT will, in all solicitations or advertisements for employees placed by or on behalf of the CONSULTANT, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The CONSULTANT will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about,

discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONSULTANT's legal duty to furnish information.

4. The CONSULTANT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the CONSULTANT's commitments under this section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. The CONSULTANT will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

7. In the event of the CONSULTANT's noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONSULTANT may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The CONSULTANT will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subconsultant or vendor. The CONSULTANT will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the CONSULTANT becomes involved in, or is threatened with, litigation with a subconsultant or vendor as a result of such direction, the CONSULTANT may request the United States to enter into such litigation to protect the interests of the United States.

9.12 Federal Fair Labor Standards Act. All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, et seq, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part-time workers.

The CONSULTANT has full responsibility to monitor compliance to the referenced statute or regulation. The CONSULTANT must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

9.13 Certification Regarding Lobbying. The Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

9.14 Occupational Safety and Health Act of 1970. All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The employer must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The employer retains full responsibility to monitor its compliance and their subconsultant's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR Part 1910). The employer must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

9.15 Rights to Inventions. Contracts or agreements that include the performance of experimental, developmental, or research work must provide for the rights of the Federal Government and the Owner in any resulting invention as established by 37 CFR part 401, Rights to Inventions Made by Non-profit Organizations and Small Business Firms under Government Grants, Contracts, and Cooperative Agreements. This contract incorporates by reference the patent and inventions rights as specified within 37 CFR § 401.14. CONSULTANT must include this requirement in all sub-tier contracts involving experimental, developmental, or research work.

9.16 Seismic Safety. In the performance of design services, the CONSULTANT agrees to furnish a building design and associated construction specification that conform to a building code standard that provides a level of seismic safety substantially equivalent to standards established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their building code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety. At the conclusion of the design services, the CONSULTANT agrees to furnish the Owner a

“certification of compliance” that attests conformance of the building design and the construction specifications with the seismic standards of NEHRP or an equivalent building code.

9.17 Certification of Offeror Regarding Tax Delinquency and Felony Convictions. The CONSULTANT must complete the following two certification statements. The CONSULTANT must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The CONSULTANT agrees it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

1. The CONSULTANT represents that it is (___) is not (✓) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
2. The CONSULTANT represents that it is (___) is not (✓) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note

If a CONSULTANT responds in the affirmative to either of the above representations, the CONSULTANT is ineligible to receive an award unless the Owner has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government’s interests. The CONSULTANT therefore must provide information to the Owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency’s SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty-four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

9.19 Trade Restriction Certification. By submission of an offer, the CONSULTANT certifies that with respect to this solicitation and any resultant contract, the CONSULTANT –

2. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and

3. has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC § 1001.

The CONSULTANT must provide immediate written notice to the Owner if the CONSULTANT learns that its certification or that of a subconsultant was erroneous when submitted or has become erroneous by reason of changed circumstances. The CONSULTANT must require subconsultants provide immediate written notice to the CONSULTANT if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR § 30.17, no contract shall be awarded to a CONSULTANT or subconsultant:

1. who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or
2. whose subconsultants are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or
3. who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a consultant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The CONSULTANT agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The CONSULTANT may rely on the certification of a prospective subconsultant that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the CONSULTANT has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the CONSULTANT or subconsultant knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

9.20 Veteran's Preference. In the employment of labor (excluding executive, administrative, and supervisory positions), the CONSULTANT and all sub-tier consultants must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC § 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.
