

South Baldwin Literacy Council

21441 US 98 East, Foley Alabama 36535

To: Foley City Council:

I am writing to request that the Council waive all plan review and zoning fees to the minimum amount.

South Baldwin Literacy Council is a small 501c3 public charity that provides free educational services to children with reading disabilities and adults with significant educational deficiencies. We manage these programs through a staff of 6 and a volunteer organization in the 100s. Over the last 12 months, we have had 1400 students enroll in one or more of our programs.

The ongoing need to provide these services continue to grow as the population of South Baldwin County grows. Over the past 7 years we have added approximately 1,700 square feet to an existing building and by enclosing a garage on the premises. We plan to add a two story, 2160 sf facility and have submitted our architectural and engineering plans.

With the last to development projects, the city was kind enough to waive our building permit fees. We again ask that the council waive these fees. Every dollar counts in our ability to raise the funds necessary to build out this new facility and we would most appreciate your willingness to help us.

Please let me know if I can be of further assistance in supporting our request.

Sincerely,

David T. Lee

SBLC Board President
