Hi Brenda,

I wanted to pass along the contract numbers for the furniture vendors.

Global (sofa and chairs) is no longer on Alabama T-390 contract, but they are on TIPS. Their TIPS contract number is 200301. The City of Foley might already be set up to purchase on this contract. If not, I can send you all the information to get started.

Kimball (stool) is still on Alabama T-390 and their contract number is MA220000002897.

Hope this helps! Let me know if there is anything else you need.
