The Honorable John Koniar
Mayor
City Hall
Foley, AL

Dear Mayor Koniar,

Our small community of Savannah, in the Live Oak Village subdivision, has been decorating our park for the last several years. The decorations include multiple displays, and have been enjoyed, not only by our residents, but also by numerous drive-byes that have heard about them. Perhaps you have seen or heard about our displays.

As we are an aging community, it is becoming more and more difficult to setup and maintain the displays. Therefore, we have decided to downsize and dispose of most of the displays.

We have informed our residents of our decision and have offered them the opportunity to select any display for their own residence. A few may choose to take advantage of our offer, however, we assume that they will choose decorations of the small variety.

We would like to donate most of our larger displays to the City for display in Heritage Park if you are interested. We also have a 7 piece Nativity scene that we would like to donate to a church.

I am enclosing an inventory of the displays and some pictures for your review. I apologize for not having pictures of all displays as our picture album has been lost.

At the present, we intend to decorate the park this season if you would like to see the displays before making a decision. However, if you are interested, and would like to have the displays for Heritage park this season that would be fine with us.

After having time to consider our offer, we would appreciate being notified whether you are or not interested in taking possession of our displays,

If you have any questions, do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "George Herstek".

George Herstek
Secretary/Treasurer
