Pam

I would like to place into consideration **Bill Schaffer** for a place on the Foley Senior Center Advisory Board. He is a member in good standing of the Foley Senior Center and has been a member of the Foley Senior Center for several years. He participates in several of the weekly activities and attends the coffee /with and the Lunch N Learns. He gets along with other members and is very pleasant to be around. I think he would be a great addition to the Foley Senior Center Advisory Board.

Sincerely

Billie Nardell
