

EMMANUEL'S PLACE™

"Special Care For Special Needs"

To whom this may concern:

Hello my name is Latedra Bingham, on behalf of Emmanuel's Place we want to do a 5k run fundraiser to raise money to purchase land and build for the business. This is a nonprofit organization that is fitting the needs of Intellectual/special need children. We would estimate that maybe about 200-250 people to participate. We will have sponsors and vendors out in the park set up to help raise money towards the funding. May bout 20 vendors will participate, we will have some activities in the park during and after the race. All the proper licenses will be paid for and on hand at all times. The route will start at Cedar and Roosevelt St. turn left on Roosevelt st all the way to Alston St turn left going north, come to W. Section St. turn left go to Cedar St. and turn left and head back to the starting line.

The race will begin at 8am but we will need to be in the park no later than 6 am to set up and end about 5pm to clean up. The date of the event will be June 28, 2014. This will not only be an event to raise money for Emmanuel's Place this will also bring in revenue for the City of Foley. If you have any questions about this event or in reference to Emmanuel's Place please feel free to call 251-209-5983 Thank you in advance.
