Below are the numbers I got from Kate. \$60,134 at (9) Firefighters per year is \$541206. The period of performance is 24 months so we would be looking to apply for \$1,082,412. Just wanted to run this by you. I will let Suzanne know this number so she can get it in Legistar.

Kate,

We are trying to put some numbers together to get approval to apply for another SAFER staffing grant. Can you give me the wage and benefits of a starting firefighter?

Thanks,

Chad
