Vickey,

Sorry, I have been out of town today and just getting back in tonight to catch up on emails. This route from my understanding turns off of Co Rd 10 and goes South on 59 into Gulf Shores. That means that it only briefly touches the corner of our JD. We approve and have limited involvement to be honest. If they need something from us we can try to assist, but I don't think they needed anything last year. This was mostly out of courtesy I believe and making sure they did everything properly. They are good to go.

It protects my brother on my left.
It protects my city.

Nor my city out of its shelter.
I will die
With my shield before me
Facing the enemy."*

Hi Thurston,

Please see Elliott Lauderdale's request. Does he need to fill out a parade permit? If so can you please contact him. I couldn't open the link for the route

so you might have better luck at getting it to open for you. I've requested a pdf of the route to see where they will be traveling in our jurisdiction. I think last year it was only a small portion south of town.
Thanks for your assistance.

Re: Good Life Ride to Hangout

40, 16, 8 Mile Fun Ride

May 11, 2014

To whom it may concern:

The Good Life Foundation is sponsoring its 5th annual ride to The Hangout Restaurant in Gulf Shores. They are working in collaboration with Smart Coast, now joined with the Alabama Coastal Foundation, and The Hangout. Smart Coast works to promote complete streets where all are safe and healthy. The Good Life Foundation promotes quality education and healthy living. The Ride begins at Page & Palette in Fairhope at 7:30 am May 11, 2014. Approximately 350 riders of all ages will finish at their own pace and local bicycle shops will provide rider support. I am including a link to the proposed routes for this year's ride longer <http://www.gmap-pedometer.com/?r=5813513> and enclosing a map which is the same as prior years' route. I am contacting Colonel C. Jones, Baldwin County Sheriff as required.

We are sending information to the local police departments in our effort to keep all informed of the Ride. We ask for the city's permission and support for this year's ride, to be included as a letter of understanding to Gloria W. Bitto, me and the Good Life Foundation via email (karin@pageandpalette.com).

I understand that we will provide a copy of the Certificate of Liability Insurance. And that we will secure letters of understanding from the Sheriff's Office and from participating Police Jurisdictions. I am attaching a copy of your letter from last year.

Elliott Lauderdale,
