On September 20, 2012 I was handed a copy of Ordinance No. 135 by two of Foley's finest. Since I had tried for 2 days to find out where to obtain a permit to picket and had been run between City Hall and the Foley Police department I finally got the answer when I showed up in front of City Hall with my sign. They handed me Ordinance No 135 and told me to leave or be arrested.

This written application is to the City Council of the City of Foley. I am hereby requesting in writing, permission to exercise my 1st Amendment Right.

Since the City Council have ignored my plea, I have no other choice than Protest at the City Hall.

I will be there every Tuesday and Wednesday, from 6 am until 6 pm. I plan to exercise my rights until this Council has granted me permission to use the

inflatable balloon man.

There will be no more than 10 people at one time.

There will be 2 signs.

I will have one vehicle.

There will be no animals involved.

I hereby request a permit to demonstrate on the front lawn of the City Hall of Foley, Alabama.

I will be at your next City Council meeting for my permit.

Thanking you in advance for your kind cooperation in this matter.

Respectively Submitted,
