Hi Sgt. Sutherlin,

Thanks so much for your time today, it was great talking to you! Per our conversation, I have attached the pricing proposal for the Foley Police Department to obtain access to LeadsOnline on a full-time basis. It outlines the basic features within the system and what's included in each service level. It is an annual subscription fee for the agency, but can be pro-rated to get in line with your department's budget cycle if needed.

Per our conversation regarding prorating, the prorated amount for either package will depend on what start date your Agency would want to begin service. As an example, I used the start date of March 1st below:

TotalTrack pro-rated 3/1/14 – 9/31/14 = \$2,151

* PowerPlus pro-rated 3/1/14 – 9/31/14 = \$2,553 —

If you have any questions or need anything on our end, please don't hesitate to call me directly at 972-331-6785. We look forward to the opportunity to serve your department!

Best regards,

Ashleigh Ware
