Not much of a choice. I'm good for the agenda.

well we pushed for the annexation so I don't see how we have any choice but to properly run the referendum so I am fine with this..

Wayne/Mike,

I am requesting permission to place an item on the August 7th agenda to appropriate funds into my Election Expenses Account to cover costs the City is obligated to pay for the Mills Community Election. This will include costs for the election supplies from ES&S, advertisement costs, poll work salaries, the Election Manager salary reimbursement, my salary as Absentee Election Manager, and costs for three meals and drinks for the poll workers. I do not have all invoices at this time and some may not arrive until after the election.

I was going to ask for an amount not to exceed \$15,000.00

Thanks

Katy
