Dear Sir/Madam:

A complaint has been received concerning the weeds and overgrown vegetation becoming a public nuisance at 19001 CR 20 in Foley, Alabama. This lot can be further described as PIN# 71878 on the Baldwin County Tax Maps.

City of Foley Ordinance No. 1095-09 Regarding the Clearing and Maintenance of Lots that Constitute a Public Nuisance Section 4-104 states that a nuisance may be declared when grass and weeds which bear seeds of a wingy or downy nature, which attain a large growth so as to become a fire menace when dry, or otherwise noxious or dangerous. Private property owners should take regular steps to maintain the property in a manner to prevent the nuisance.

A visual inspection conducted on 10/01/2025 revealed that the property above has weeds and grass exceeding 12 inches in height, which may constitute a public nuisance. Please be advised that, as of this date, you are placed on notice that this violation must be corrected within 10 days of your receipt of this letter. Correction may be cutting a 50' buffer around the perimeters of the property. Failure to do so may result in a resolution by the City Council that finds and declares that the weeds, grass, and other vegetation are a public nuisance and orders the abatement of the nuisance subject to its findings after a public hearing.

If you have any questions or concerns, please contact our office at 251-923-4267.

Sincerely,

Reese Newton
