Mayor Time Kant

City of Fairhope

Dear Mayor Kant,

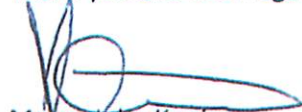

It has come to the attention of the Foley Police Department that the Fairhope Police Department is disposing of some military style trucks. Our Police Department is in need of this type vehicle as the one they have now is no longer safe or financially feasible to operate.

It is our sincere hope that the City of Fairhope would allow our Police Department the opportunity to take possession of one of these trucks for use in search and rescue missions. They were requested to deploy back in September 2008 during Hurricane Ike as it passed south of Fort Morgan. The truck was used to rescue over 30 men, women, and children and pulled about a dozen cars out of the path of approaching flood waters.

This truck would be a welcomed addition to the Police Department and as stated above would be ready to respond at anytime to assist any of our neighboring cities or communities during any type of emergency.

Thank you for your time in consideration of this request and should you agree for our Police Department to take possession please call Deputy Chief Randy Bishop (251.952.4010) and he will ensure prompt pickup and that all necessary paper work is completed for the transfer.

Thank you and best regards,

Mayor John Koniar
