Dear Sue,

On Sunday, June 30, 2013, Genesis Church would like to make use of one of the city parks. On that day, we wish to hold our regular Sunday worship service in the park and following that have a picnic lunch. The service will be comprised of music and speaking, and we plan to have additional live music by various members of Genesis Church during the lunch portion.

We understand that most of the city parks are on a first come, first served basis, but that we need to obtain the permission of the City and the Mayor for our event. We also understand that Heritage Park has a rental fee, while the other parks do not. We would prefer to use one of the other parks, and are able to provide our own electricity (via a generator) for those parks that might not have electricity available.

Should you have any further questions, please do not hesitate to contact me at the phone number above. We look forward to working with the City of Foley in working out the details of our event.

I look forward to hearing back from you.

Thank you for your consideration,

Chris Gambill
