May 12, 2014

To The Honorable Mayor & City Council of Foley, Alabama,

Your generous donation of the police vehicle will be used by the Guardians of the Ribbon, Lower Alabama Chapter to help spread Love, Hope and Awareness. It will help us transport our Guardians to events, where we raise money and leave that money in the community.

We support women and their families, NOT causes! Why? Because PINK HEALS!

With this donation you show the city of Foley and its surrounding communities that the City of Foley is willing to help in the battle against this terrible terrorist we call cancer.

Again thank you for your consideration and support.

Dear Applicant,

We received your application for exemption from federal income tax and your user fee payment.

During the initial review process, applications for exemption are separated into two groups:

1. Those that can be processed based on information submitted
2. Those that require additional information to be processed

If your application falls in the first group you'll receive a determination letter within approximately 90 days from the date of this notice stating that you are exempt from federal income tax.

If your application falls in the second group, you'll be contacted when your application has been assigned to an Exempt Organizations specialist for review. You can expect to be contacted within approximately 180 days from the date of this notice. After 180 days, if you haven't been notified your application was assigned to a specialist, you can contact Customer Account Services Monday through Friday at the toll-free number shown above to check on its status. The individual calling on your behalf will need the following information:

- * Your name
- * Your employer identification number (EIN)
- * The document locator number listed above and assigned to your request
- * A proper power of attorney submitted with your exemption application, unless the individual calling is an officer or director and legally authorized to represent you

The IRS doesn't issue "tax-exempt numbers" or "tax-exempt certificates" for state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.

Most organizations are required to file an annual information return
