Dear Madam:

A complaint has been received concerning the weeds, fallen trees, and overgrown vegetation that have become a public nuisance at 708 East Myrtle Avenue in Foley, Alabama. This lot can be further described as PIN #202524 on the Baldwin County Tax Maps.

The City of Foley Ordinance No. 1095-09 Regarding the Clearing and Maintenance of Lots That Constitute a Public Nuisance Section 4-104 states that a nuisance may be declared when grass and weeds that bear seeds of a wingy or downy nature attain a large growth so as to become a fire menace when dry, or otherwise noxious or dangerous. Private property owners should take regular steps to maintain the property in a manner that prevents the nuisance.

A visual inspection conducted on December 8, 2022, revealed that the above-described property has weeds and grass in excess of 12 inches in height and fallen trees in the backyard; these observations may constitute a public nuisance. Please be advised that, as of this date, you are placed on notice that this violation must be corrected within 10 days of your receipt of this letter. Failure to do so may result in a resolution by the City Council that finds and declares that the weeds, grass, and other vegetation are a public nuisance and orders the abatement of the nuisance subject to its findings after a public hearing.

If you have any questions or concerns, please contact our office at 251-923-4267.

Sincerely,

Angie Eckman
Environmental Manager
