Ryan,

Please find below general specifications and approximate bid costs for budget purposes on the following new 2026 Ford Trucks for the City of Foley, to be capable of towing a 12,000# trailer.

Ford F-150 Regular Cab 4x4 XL, 8' Bed, 5.0L Gas V8 Engine w/10-Speed Automatic Transmission, All-Terrain Tires w/17" Steel Wheels, 3.73 E-Lock Rear Axle, Vinyl Interior, A/C, Power Windows & Locks, Class IV Receiver Hitch & Trailer Brake Controller - \$40,500

Ford F-250 Regular Cab 4x4 XL, 8' Bed, 6.8L V8 Gas Engine w/10-Speed Automatic Transmission, All-Terrain Tires, 3.73 E-Lock Rear Axle, Vinyl Interior, A/C, Power Windows & Locks, Class IV Receiver Hitch, Trailer Brake Controller - \$44,200

Ford F-250 Crew Cab 4x4 XL, 6.75' Bed, 6.8L V8 Gas Engine w/10-Speed Automatic Transmission, All-Terrain Tires, 3.73 E-Lock Rear Axle, Vinyl Interior, A/C, Power Windows & Locks, Class IV Receiver Hitch, Trailer Brake Controller - \$49,000

Actual bid prices should be at or just below these prices, we would need to special order the truck for you. We are probably looking at 90-120 days for delivery, though the actual time could vary – there are typically plant shutdowns during the holidays, also 2026 F-150 production for fleet/government has not yet begun, there could be a bit of a back log of orders.

There could be additional optional equipment you may want, I will be happy to print out order guides with full lists and specifications for you.

Let me know if you have any questions or need any additional information.
