Re: LED Fixtures on Alley Arbors

Attention: Randy Krutts

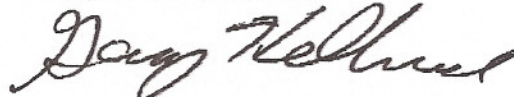

Total Bid: \$1,310.00

It Includes:

1. Installing six LED ground mounted flood lights on each side of the arbors. This will be mounted between the building and the arbor. If we put the light fixtures on the street side of the post we will have to cut the stamped concrete and these lights will also be a tripping hazard for the sidewalks.
2. Four will be located on two arbors on Highway 98 and two lights will be on the arbor on Orange Avenue.

THIS BID IS GOOD FOR 30 DAYS!!!!
