Reason for Increase:

We have already used the funds we budget for recycle cans and garbage cans. The growth in Foley was anticipated, but not

to the extent that we have seen. In the past, we have been able to cover the cost with one order of each. One is not enough

and we need to request an increase in budget dollars to cover the amount for another delivery of cans, which are needed

at this time.

Amounts of Funds Needed

\$30,000.00
