Dear Sir/Madam:

The Foley City Council, in regular session July 15, 2013 approved a Resolution declaring the above property in violation of the Lot Clearing and Weed Removal Ordinance. However, failure to do so will ensure that City forces will remove the nuisance and the costs incurred by the City will result in a lien against your property.

Your cooperation in this matter is appreciated.

Sincerely,

Message:	I called and left a message about a vacant lot beside my property that has not been cut in over a year. The weeds are reaching at least six feet tall and starting to encroach on my property. Also, there is a terrible drainage problem behind my house. The water is causing my fence posts to rot. Between the overgrown lot and the water, we are having a terrible snake problem. I have already killed five this year. Please give me a call and help me correct these issues that are effecting my property or let me know who can. Thanks!

Dear Sir/Madam:

A complaint has been received concerning the overgrown grass and weeds becoming a public nuisance at 1904 Bay Street in Foley, Alabama. This lot is further described as PIN 229916 on the Baldwin County Tax Maps.

The City of Foley Ordinance No. 1095-09 Regarding the Clearing and Maintenance of Lots that Constitute a Public Nuisance Section 4-104 states that a nuisance may be declared when grass and weeds which bear seeds of a wingy or downy nature, which attain a large growth so as to become a fire menace when dry, or otherwise noxious or dangerous. Private property owners should take regular steps to maintain the property in a manner to prevent the nuisance.

A visual inspection, conducted on May 7, 2013 revealed that the above described property was overgrown by grass and weeds which may constitute a public nuisance. Please be advised that as of this date you are placed on notice that this violation must be corrected within 10 days from your receipt of this letter. Failure to do so may result in a Resolution by the City Council that finds and declares that the weeds, grass and other vegetation are a public nuisance and orders the abatement of the nuisance subject to its findings after a public hearing.

If you have any questions or concerns please contact our office at 251-952-4011.

Sincerely,

Austin B. Duffie
