Thank you Darrell.

Wayne, These are the two electric Lightning F150's for Darrell. I saw where the one for Inspections was requested earlier this morning as well. If you are fine with this we will move forward.

Mike, I am requesting to go to bid on 2 new EV half ton pickup trucks. One in sanitation and one in the street department. Budget stands at 43k a piece. If they come in at or under that, we recommend the purchase also.

Please approve and send to Wayne

Thank you
