Features

Choo-Choo! Take a ride on the rails with this poly train Amish playset, featuring a locomotive, coal car, tanker, and caboose. This true to life toy train promises hours of outdoor fun for little conductors and passengers alike. Resting on realistic train tracks, this Amish poly playset features plenty of kid-size bench seating in the locomotive, coal car, and caboose. Kids will climb over, on, and about the tanker car with its climb-over ladder and shady tube. Give the gift of imagination with Amish playground equipment, built to last for years of enjoyment.

Standard Features:

- Includes: locomotive, coal car, tanker & caboose
- Long-lasting multicolored water repellent stain
- Built-in bench seating in locomotive, coal car & caboose
- Climb-over ladder on tanker car
- 2 Platforms with handrails on caboose
- Tracks
- Bell
