

Architectural floor plan of a building with eight units (UNT #1 to UNT #8) and two storage areas. The plan shows various structural elements, including walls, doors, and windows, along with mechanical and electrical details. Key features include:

- Units 1-8 with varying layouts.
- Two yellow-shaded storage areas.
- Mechanical details like T-BP2 (Boiler/Pump) and T-PG2/T-BA2 (Trough/Pipe/Gutter/Boiler/Access) systems.
- Electrical details like T-GS/T-BP1 (Transformer/Generator/Service/Boiler/Pump) and T-ZT/T-VT (Transformer/Generator/Service/Boiler/Pump).
- Structural details like T-CL-10 (Cable/Light) and T-CL-12 (Cable/Light).
- Dimensions: 41'-0" by 21'-0" for the main building, 42'-0" by 20'-0" for the storage area, and 43'-0" by 20'-0" for the steel structure.
