Homer Singleton moved to Arkansas since his home was destroyed in Sally. He was one of the Mayor appointed board members. I have a candidate for replacement. He is a marine biologist by degree. HE is an avid park user that lives in Foley. His name is Mark Jones.

Hey Leslie,
I would get a brief bio from Mark if he's interested and talk with Ralph.
Then it has to go to Council, we'll need to do a Resolution to Appoint a New Member.
I'm going to miss Mr. Homer!
I'm having to do the same thing to replace Mr. Terry Underwood.
Stay Warm!!!
