Dear City Council,

Women's Care Medical Center is a 501c3 organization and has been providing early pre-natal care to women in unplanned pregnancies since 1990. We are also partners in education with the Baldwin County Board of Education and provide abstinence education programs. We are located in Robertsdale and serve the entire county. Last year alone we served over 2600 clients from all across our county and taught over 4675 students. All our services are free of charge.

I am requesting your permission to use the ~~John B. Foley~~ Park for our annual Walk for Life to be held on March 14, 2015. The event is held from 8:00 a.m. till 10:00 a.m. and we are expecting around 75 people. The walkers generally do not come all at once but come at various times thru out the event.

We do not receive any government funding and rely heavily on our Walk fundraiser to be able to continue to serve women and children and provide abstinence education in our school systems. Thank you in advance for your consideration to waive any fee that may be required to use the ~~John B. Foley~~ Park. *max griffin*

We are thankful for your past gracious welcome in Foley and remain grateful for our partnership in helping women in unplanned pregnancy. Thank you for your kind consideration in using your park.

Sincerest Regards,

  
Sue Leavins  
Executive Director
