CLUB OF FOLEY

July 30, 2021

Dear Friend of Kiwanis

We hope things are getting better for everyone as the pandemic seems to be adjusting to what we remember as normal. Preparations for the annual Kiwanis events are underway for us. We are hoping that you will take advantage of our advertising venues available to you on social media, our website, radio and local newspaper entries to cover your business goals.

We are seeking corporate members to help serve with us and for our club to be able to participate in your own corporate community events.

We plan to make our recognition procedures Radio Day Event better to serve your interests. We're counting on the business community's continued support for our Christmas Parade, Special Olympics, scholarships awarded to high school seniors and continue to work with local food banks for those with needs. Our goals are to charter Youth Clubs and recognition programs in every school in Foley and Elberta.

A Kiwanian will **be contacting you before our event October 19, 2021 about your donation or sponsorship.** In appreciation of your community support, we'll provide your business with valuable advertising as our members acknowledge your support live on the air during our **Kiwanis Radio Day Program** provided to us by **WHEP (92.5 fm and 13.10 am)**, also on our website, Facebook and social media. Your business Information will be posted on <https://foleykiwanis.club> or www.foleykiwanisclub.com,

Several sponsor packages are available on the second page. If your company or industry is making a donation or sponsorship make check payable to: Foley Kiwanis Foundation.
