Did Wayne ever approve this one? He said ok on the trucks, but was wondering if he combined his approval on a single email.

Wayne,

Below is a request to place a capital purchase on the upcoming council meeting for approval. This is for a message board and it is in our Capital Plan.

Darrell listed the number in the capital plan as \$16k however it is actually \$15k. Regardless, the quote came in at just under \$14k so we should be OK. With your approval, we will place on the agenda.

regards,

Mike

Attached is a quote and request for a portable message board sign needed by the Street Department. My intention is to have this item on the October 2 agenda and purchase in same month. Please approve and forward to Mr. Trawick for his approval.

Thank you
