**RE: Foley – South Ramp North Hangar Track Repair**

To provide Labor Equipment and Materials to Repair the sliding Hangar door Tracks. We propose to demo all the old track, pressure wash the concrete slab under the track, saw cut ½" deep cuts 3.5' on center down each track, and install new 304 Stainless steel track on the north and south side of the Hangar. Please see the attached drawing for the designed track.

**Total \$27,938.00**

**Exclusions:**

- Any work outside of the above scope.
- Moving any aircraft or equipment to perform the work

**Special Provisions:**

- Payment terms are net 30 days from invoice date.
- All aircraft to be moved by other if need be

Thank you for allowing us to assist you with this project. We look forward to serving you in the near future. We have a wide range of equipment that can be provided on short notice if the need arises.

Sincerely,

**Fred E. McAll**
