

South Baldwin Sports Turf

513 Glenwood Circle, Foley, Alabama 36535

Jemills75@gmail.com 251-213-0115

Dear Mr. Don Staley,

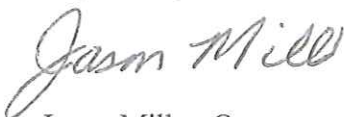

First, I would like to thank you for allowing me the opportunity to submit a proposal as a potential consultant with the Foley Sports Tourism athletic field complex. I assure you, with my 17 years of experience and knowledge; I am dedicated to making sound agronomic decisions, and developing maintenance plans and programs, which should prove invaluable to the long-term success of the Foley Sports Tourism Complex.

Nearly a year ago, I decided to leave the golf course industry and venture out into the business world of turf. In less than a year, I've been fortunate enough to acquire multiple contracts, allowing me the opportunity to continue to grow and develop my business here in Baldwin County.

During our conversations over the last year, I fully understand the developing goals for the Foley Sports Tourism Complex. I have worked with other local sports organizations like the Perdido Bay Futbol Club and the Perdido Youth Sports Association. My services would allow you to focus your attention on bringing events here to Foley. My objective is to provide agronomic experience and dedication to produce championship field conditions that would be second to none.

South Baldwin Sports Turf is locally owned and operated out of Foley, Alabama. I've personally resided in Foley for the past 15 years. So, the majorities of my experiences have come from the same climate, conditions, and turf that the Foley Sports Tourism complex will be comprised of. I feel with the facility being so close to home for me is an added benefit that would allow more site visits and more control in making sure the proper steps were being made to assure championship turf conditions as a standard. It would be a privilege to give back to the community in which I live.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Jason Mills".

Jason Mills - Owner
